A great bathroom doesn't need a lot of space but it does need a great idea and a great product like Rubine's newly designed one-piece rimless toilet – the Punta Nera series. This minimalistic-design WC is produced at high temperatures; its ceramic surface is formed with a less than 0.2% water absorption rate to ensure good hygiene and prevent the spread of bacteria. Rimless and Funnel Flush 3.0 is the new water-saving flushing technology; it enables the system to discharge the water with more force and in a more homogeneous way that improves the clean efficiency and reduces the noise. This toilet is also supplied with a high-quality soft-close toilet seat and a large-diameter draining hole suitable for floor and wall sewage installation.

Product Information

Model	PN-105S06 (S-trap 150)	PN-105S10 (S-trap 250)	PN-105P07 (P-trap)
Material	Vitreous China (Pan), Vitreous China (Cistern), Urea (Seat)		
Colour	White		
Overall Dimension	670 x 400 x 730mm		
Net Weight	53kg		
Installation	Floor-mount, S-trap 150mm	Floor-mount, S-trap 250mm	Floor-mount, P-trap 180mm
Flushing System	Washdown, Dual-flush (4.5/3.0L), Bottom connection		
Water Efficiency	Available in 2 ticks and 3 ticks
